Deepsea Challenge 2D . This is a remake in 2014 . It was a sequel to the Deepsea Challenge 3D. The storyline is similar to 3D Deepsea Challenge. Plot summary Dr. David Baker and his colleagues were exploring the deep sea in a submersible when a gigantic creature, the Star Creature, came out of the sea and attacked them. While using a built-in video camera, the team recorded footage of the creature. The creature pulled one of the three scientists into the sea, Dr. Baker made it out in time and returned to a research base. Unfortunately, when the doctors returned to the submersible, they discovered that the Star Creature had killed the other two scientists. The team then decides to film the creature using the video camera and took more footage of the creature. Dr. Baker decides to communicate with the creature to learn about it. However, the creature attacked the submersible and pulled Dr. Baker back into the sea, but a few days later, Dr. Baker emerges alive from the sea. Cast Production The video was filmed in Iceland. Release The video was released in the U.S. in May 2014. References External links Official

So you've set yourself the challenge of writing a novel, but how do you even begin? Here's our guide to how to write well in a hurry. Start small This is one of the most important things to keep in mind. The reality is, no matter what, if you want your story to be good enough to publish, it'll take time. So don't expect to sit down and knock out a work of art in one afternoon, or even one week. The best advice we can give you is to think about what you want your novel to be about. Is it about a character's journey, a journey to a new place? Is it about a complex plot, with a lot of intricate details? In short, what's your unique selling point? Once you've 82157476af
