USB Security software works with USB, memory cards, including SD cards, iPod, iPhone, iPad, PSP, notepad, and other USB devices. It helps you to protect your data by password and keeps your USB device safe from unauthorized access. It enables you to Lock/Wipe/Erase/Format/Stamp the USB devices that you choose. It keeps track of your logins and erases all the passwords instantly. USB Security has a very flexible login manager that can password protect your USB flash drives and memory cards easily. It works with Windows Vista, Windows 7, Windows 8, Windows 10, Windows Server 2008 R2, Windows Server 2012, Windows Server 2012 R2, Windows 8.1, Windows 10, and Windows Server 2003/2008/2012/2016. USB Security is available in English, German, French, Italian, Spanish, Portuguese, Russian, Chinese, and Japanese. The two favorites with the most buzz and are, of course, the ones who received the most money. The American duo of Tyra Banks and Kym Johnson received \$340,000, and the French team of Linda Evangelista and Maria Shriver were given \$325,000 for their efforts. The German team of Claudia Schiffer and Sarah Pohl were given \$95,000. The winning photographer who can just barely afford to eat was Al Hirschfeld, who received \$1,500 for his efforts. The payout for the "\$100,000 Couples Makeover" franchise, which ran in 2003 and 2004, was \$100,000 to the winning couple. Teams are formed by Big Brother housemates, and the goal of the mission is to get the two to date and get them married by the end of the two years. The prize included a standard love-go-round wedding, and it is the second most expensive wedding in history.
